Letto Bed

Designed by *Maurizio Manzoni*

Letto matrimoniale imbottito Shanghai, Struttura interna in legno multistrato e il rivestimento strutturale è in poliuretano espanso indeformabile e falda sintetica. Il giroletto e la testata sono rivestiti in tessuto, pelle o ecopelle nelle numerose proposte del campionario. I gambi della testata salgono a formare un elemento portante decorativo in ferro battuto.

The Shanghai upholstered double bed has an internal structure made of plywood, while the structural covering is made of non-deformable polyurethane foam, with a synthetic layer.

The bed frame and headboard are covered in fabric, leather or eco-leather, which can be chosen among the numerous samples in our collection.

The stems of the headboard rise to form a decorative wrought iron supporting element.
